Dear Mr. Lundberg,

Congratulations on being honored with receiving the Gold Nugget Award. This is the result of your exceptional work on the five star Built Green project, *The Urban Lodge*. I was impressed to learn of your efforts in making this house both a beautiful piece of architecture as well as an environmentally friendly building. I was sad to hear that such a beautiful structure was destroyed by arson, but your recognition with the Gold Nugget Award attests to your business's dedication to quality work.

As both a recognized leader in the green building and high end luxury home industries I expect many future accolades for Grey Lundberg Inc. I wish you and your business the best in the coming years and look forward to hearing of future accomplishments.

A handwritten signature in black ink that reads "D. Reichert".
